

## Principles

Recognizing its mission is to listen, share and protect the client's maximum rights and interests, We have developed fundamental principles as guidelines to all activities of the Firm.

- *Listening, understanding and sharing the concerns and difficulties with our clients;*
- *Protecting the best rights and interests of clients in compliance with law;*
- *Creating trust and building long term relationship with clients based on sustained foundation;*
- *To keep secret all information, documents supplied by clients;*
- *Complying with the codes of ethics and lawyer's professional conduct.*

### **Motto of Operation**

“FRIENDLY AND LEGAL SAFETY”

Coming to Dao & Brothers Law Firm, our distinguished clients will feel more satisfied and reassured when their legal difficulties and matters are listened and shared by our experienced lawyers, legal consultants. We will give out the legal advices timely and accurately to clients. With the high quality service together with comprehensive and effective solutions, We are committed that our clients' maximum rights and legitimate interests will be protected. **Motto of Operation**
